A SENIOR LIVING COMMUNITY

Managed by Presbyterian Villages of Michigan

Look for PVM on:

FROM THE DESK OF THE ADMINISTRATOR, CAROLYN MARTIN:

Congratulation to Stan W. receiving a nice \$750 bonus check for referring a cottage home resident. We love referrals and love handing out checks of appreciation too. Resident testimonies mean more than any marketing ad and we appreciate it when you tell your friends why you love living here.

It was fantastic to see the new restaurant full with so many Birthday celebrations . We finally got to enjoy a sneak peak of what will surely be a hit on campus. I heard many compliments to the chef.

Many ordered the steak which I understand was delicious. We will have more exciting news regarding the restaurant 's big reveal soon. July's Birthdays will be held in the new restaurant and all Birthday's going forward.

The first speed bumps have arrived and will be installed shortly. We will evaluate their effectiveness. We will continue to monitor and see if we need additional speed bumps in the future and to see how well the product works. I will keep you updated via newsletter and upcoming resident association meetings after our summer recess.

Our new Roses and plantings outside the front of the building and around the new patio are loving all the rain. The new outdoor furniture will arrive any day and you will be able to sit outside and enjoy a sandwich from the Cameron Café. Multiple inspections have taken place. We have one last inspection and forecast to open the Cameron café mid July.

Many of you already know our driver Ann Marie Hart. For those of you who don't , it is my pleasure to introduce her. Ann Marie resides in Algonac, loves Christian Music, and is an expert on Harsens's Island where she spent a lot of time as a child. She has two beautiful daughters and two Grand Puppies. Ann Marie began her career at the Village 20 years ago. What a testament to her love of seniors and working here. She started as a Resident Aide before becoming our Driver with a CDL license. She is trained to assist residents safely transporting residents to Dr. appointments, errands, weekly trips to the local markets, fun outings, and more. A benefit of living on our campus is your access to transportation. If you need a ride to the beauty shop for example and it is in the local Chesterfield, New Baltimore area it is complimentary. If you need a ride outside the complimentary radius, Ann Marie can quote you a price for your ride. We are truly grateful to Ann Marie for her 20 years of service. Please congratulate her and hitch a ride!!!

The 4th of July always makes me grateful for living in the land of the free.

Have a safe and wonderful Holiday. Happy 4th of July!!!

MARKETING

We are so proud and excited about our new TCU and therapy area, and want all of our residents to be also! A special Open House Tour is being planned for Thursday, July 26th at 2:00 pm for all residents and their family and friends. If you know of anyone planning surgery and anticipate needing rehab therapy, they will thank you for telling them about The Village of East Harbor. We have always had the very best staff, and now we have a state of the art facility too! We are offering a tour of our brand new (private) rooms, dining room, offices, and especially the amazing rehab area which includes all new equipment as well as a “practice” kitchen, bedroom and bathroom to help patients re-gain their independence. Come on out and see what all the new construction has produced! Yet another reason to be proud to live at The Village of East Harbor. Betsy is handling the details, so call her at 716-7143 to reserve your spot(s) for Thursday, July 26th at 2pm. The tour will be conducted by Kim Frabotta, our Rehab Director, and light refreshments will be served.

JULY

Happy Independence Day!!

The Declaration of Independence

"The Want, Will, and Hopes of the People."

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.--"

Long before the July 4, 1776 signing of the Declaration of Independence, God gave us our independence by instituting Life, Liberty, and the Pursuit of Happiness. Through Christ, we have many freedoms and rights.

Galatians 5:13- "You, my brothers and sisters, were called to be free. But do not use your freedom to indulge the flesh, rather, serve one another humbly in love."

Our freedoms were meant to serve others.

Proverbs 16:9 tells us that our steps are ordered by the Lord, "In their hearts humans plan their course, but the Lord establishes their steps."

Romans 13:2 warns, however, "Consequently, whoever rebels against the authority is rebelling against what God has instituted, and those who do so will bring judgment on themselves." We are all called to be imitators of Christ (Ephesians 5), so we give and love as God gave and loved, and as Christ gave and loved.

We are continuing to collect knitted/crocheted hats for Cancer survivors. If you knit or crochet and would like to participate by making a hat or two, please see Chaplain Laura for free yarn. **LUNCH WITH VETERANS (FREE)** is Tuesday, July 24; Leaving at 10:30am. Please sign up to join us in visiting and having lunch with those who brought us our freedom!

Please continue to check your calendar and our Chapel News bulletin board in the Chapel hallway and sign up to join us in our outreach opportunities.

In His Service,

Chaplain Laura Stone

Shining Star

Hello PVM Residents, Families, Board Members and Employees,

The Shining Star Committee has revised the attached Shining Star nomination form with the intention of making it more user-friendly and adding more opportunities for recognition. A Shining Star is someone who works at PVM and has been **nominated by you** - a resident, family member, coworker or board member- for exhibiting one or more of the Service Standards of Excellence. One of the best things about this is that everyone can nominate a staff person as a Shining Star!

PVM is committed to providing excellent services to the residents we serve, their families and to each other. The vision of Service Excellence includes four core values: Respect, Relationships, Listening and Accountability. These values serve as a standard against which every action and thought can be measured. The Service Excellence Standards show our commitment to make PVM a great place to live and work.

If you witness a staff person, manager, or leader doing a great job and exhibiting of one or more of the Service Excellence Core Values, you can nominate them at any time. As an alternative to submitting a paper form you may also submit nominations online at: <http://pvm.org/about-us/what-i-do-matters-service-excellence/>.

Please take this time to nominate deserving PVM staff members and share this nomination form with others. PVM is proud of the hard work and care our employees provide for those we serve and this is your opportunity to help recognize them for their efforts. Nominations may be submitted year round. However, 2018 nominations are due by August 22, 2018 to be processed in time for this year's celebration and award consideration.

Sincerely,

The 2018 Shining Star committee: Nicole Banks (Home Office), Michelle Steffen, (East Harbor), Jason Lovelly (Westland), Carl Brown (Home Office), Timprince Graves (Lakeshore), Ann Campbell (Lakeshore), Kristine Toutant (Lakeshore), Rachel Healy (East Harbor), Avni Thomas (Home Office), Nakia Johnson (Home Office), Jessica Gross (Rosebush), Dawn Corwin (Rosebush), Hannah Micallef (Redford), Gloria Robinson (Redford), Jill Tibbits (Perry Farm).

Please pick up a nomination form from the front desk!

Cruising Lake St. Clair

Nine residents climbed on board a small cruise boat at Metropolitan Park and cruised Lake St. Clair and the St. Clair River Delta. We learned about the need for fish [Sturgeon, Walleye, etc] spawning sites and reef construction. Our enthusiastic crew are participating in a Michigan Sea Grant plus several project partners. We were able to see the reef they have been building through using an underwater camera shooting video. We enjoyed a beautiful day and can tell you about the need for fish spawning sites.
